Summer is here.

So is COVID-19.

The more people you hang out with, the higher your risk of being exposed to and spreading COVID-19.

Do your part: socialize safely.

- If sick, stay home – no exceptions
- Stay 2m apart
- Keep your groups small
- Don't share drinks or smokes
- Avoid crowded, closed, or indoor spaces
- Have a designated contact keeper at gatherings
- Don't socialize with people you don’t know

Remember: your choices make a difference – you can keep others in your community safe.
