

COVID-19 Vaccines Work! Help reduce the risk.

Between July 1 and July 27, of the 766 new cases of COVID-19 in the Interior region, **less than 4 %** were among people who were fully immunized.

Get vaccinated with your first and second dose. Drop in to any Interior Health immunization clinic today and reduce your risk of getting and spreading COVID-19. Go to www.interiorhealth.ca or scan here to find a clinic near you.
